Mary, Mother of Peace

(select a prayer of your choice each time)

Mary, you brought your Son, Jesus Christ, Prince of Peace, into a world awash with worry and fear & mothered him through it.

We remember nations and individuals facing conflict and war *(add intentions)*.

Mary, Mother of Peace, help us so to focus on Jesus that his peace will fill our hearts and overflow into the lives of others.

May we follow your example as we seek to bring Christ and his peace to our world.

Mary, Mother of Peace, pray for us.

Mary, Mother of Peace, Help of Christians, You are an aid to us as we walk the way of your Son, Jesus Christ, the Prince of Peace. As Star of the Sea, you offer us gentle light during our darkness and calm amidst the storms of life.

Following in your footsteps, we will not go astray; praying to you we will not fall into despair; and thinking of you we will not err or fall.

With you as guide we will not grow weary; with you as protector, we will have no fear; enjoying your favour we will reach the goal of being united now and forever with your Son, the Prince of Peace, Jesus Christ Our Lord, Amen.

O Mary, my Queen and Mother of Peace, I give to your sacred keeping and commend to your special care and protection, my body and soul for this day and for all the days of my life. To you I commit my hopes and consolations, my difficulties and sorrows, my life and death, that through your intercession, all my actions may be directed according to your will and the will of your Son, the Prince of Peace. Amen.
